

2017

PETERHOF® has over 20 years of history combined with a futuristic innovation. The brand started back in 1980s in Austria with a clear vision to produce high quality kitchen equipment with a sleek yet comfortable design. Despite already established competition, PETERHOF® set its goal to be better in all aspects. Our products receive top ratings in endurance, comfort and stability while offering excellence in quality and style.

PETERHOF® has won the trust and acknowledgment from its customers around the world - and for a reason. Our research and development team has continuously grown and a carefully selected team of qualified engineers are brought in to ensure the high quality that PETERHOF® stands for. We believe that investing time and resources in production process is vital in order to maintain the highest quality standards we have set for us from day one. Our customers have always been able to rely on us to meet the high expectations as well as the utmost standards we have set ourselves.

Another aspect we value highly in our company is social responsibility. PETERHOF® is always striving to improve its performance without compromising the environment. We have been able to achieve greatest benefits to customers with smallest possible impact on the environment by keeping in mind energy efficiency when designing our products. Using Eco friendly materials does not only benefit the environment, but also brings out a healthier option for our customers when preparing food. PETERHOF® has spent many years on shifting our product range to Eco friendly cookware using ceramic based non-stick technology, excluding harmful PFOA/ PTFE and using materials that can withstand high temperatures without emitting toxic fumes. Our packaging uses more and more recycled materials as well as using Try-Ply technology for induction stoves for a more energy efficient cooking! Our vast range of products provide options for every condition, preference and taste. Cooking healthy has never been easier!

Wherever you see the PETERHOF® name, you can count on excellence in quality and a timeless yet fashionable design.

We offer a vast range of smartly designed products for every condition and preference. PETERHOF® is an ideal partner in the kitchen for everyone who enjoys cooking and eating great, healthy foods!
